About iGarden

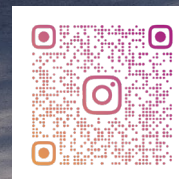

Since 1999, iGarden—powered by the innovation and expertise of Fairland Group—has been bringing joyful, artful living to families worldwide.

By blending eco-smart technology with refined design, we shape outdoor spaces that feel alive, effortless, and inspiring. Our thoughtfully curated range—from pool cleaners and pumps to swim jets and lawn mowers—is crafted to elevate everyday living—quiet, sustainable, and beautiful.

With iGarden, outdoor living becomes a feeling—of ease, of connection, of art in everyday motion.

Always joyful. Always inspiring. Always sustainable.
